ABID PLASTIC PVT.LTD

From Rolls To Bags - Perfection In Every layer

OUR COMPANY

We manufacture premium-quality plastic rolls and bags designed to deliver durability, reliability, and superior protection for your products. With a focus on innovation and excellence, we provide packaging solutions that enhance value and create long-lasting trust.

COMPANY PROFILE

Since the early 1990s, Abid Plastic has grown into a trusted name in the packaging industry, recognized for reliability, consistency, and innovation. What began as a modest operation has evolved into a full-service company, producing Low-Density (LDPE) and High-Density (HDPE) polyethylene films/rolls, high-quality bags, and offering precision custom printing to meet the diverse needs of businesses.

Over the decades, Abid Plastic has earned a reputation for standing firm through changing markets, building long-term partnerships based on trust and quality. Today, we are proud to serve clients across industries with packaging solutions that are not only durable and functional but also produced under rigorous quality practices.

Vision

Our vision is to be a leading global partner in plastic packaging by driving innovation, sustainability, and excellence at every stage of production. We aim to set benchmarks in the industry through advanced technology, customer-focused solutions, and a commitment to responsible practices.

Abid Plastic aspires to shape the future of packaging by expanding capabilities, embracing new materials and methods, and strengthening relationships with our clients.

Quality Policy

At Abid Plastic, quality is not an afterthought; it is embedded into every step of our process. From the careful selection of desirable raw materials to the use of reliable equipment and seasoned personnel, we ensure that every product meets the highest standards of strength, and performance.

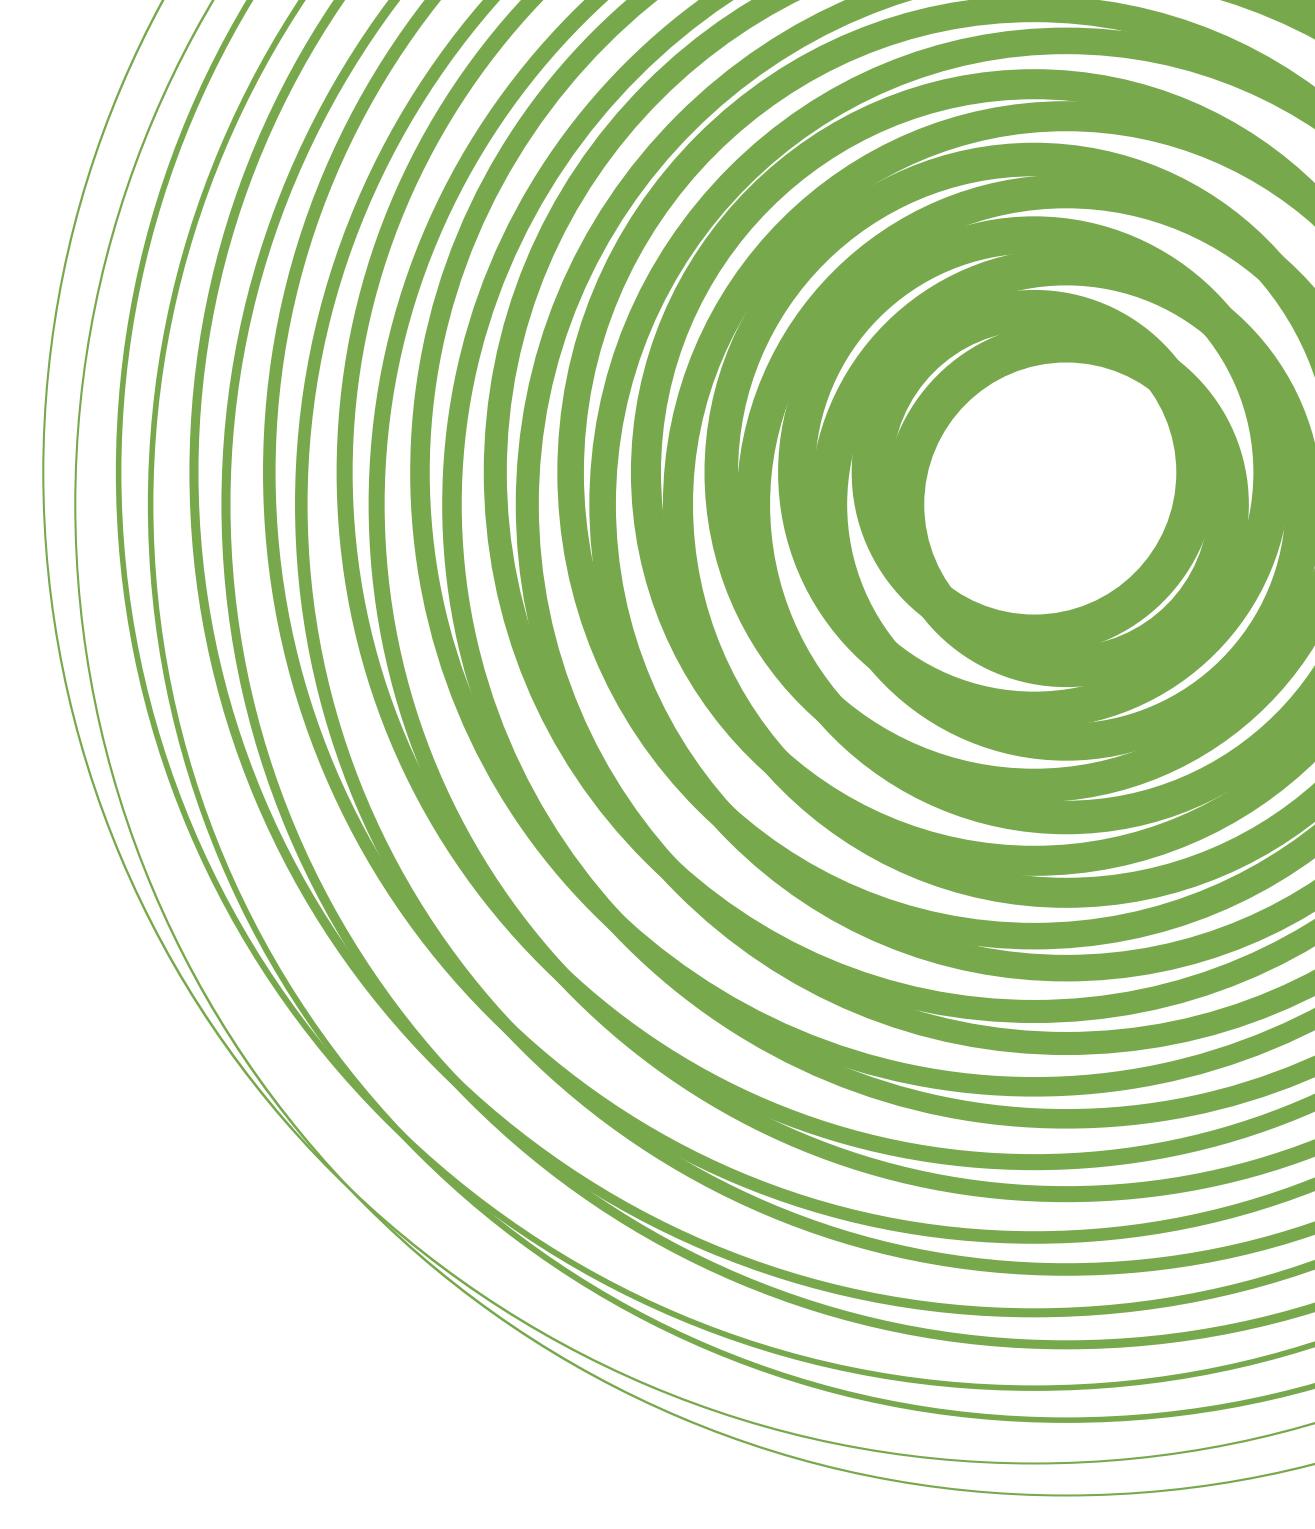

We are committed to delivering packaging solutions on time, at competitive value, and in full compliance with environmental and safety regulations as required by our clients. Continuous improvement is central to our philosophy, enabling us to consistently exceed customer expectations and maintain our position as a trusted leader in the industry

HDPE/LDPE Bags

We provide HDPE and LDPE bags known for their strength, flexibility, and reliability, available as flat, gusseted, or custom polybags in various thicknesses for both heavy-duty and lightweight use. With options like custom printing, polybags on rolls, polythene rolls, and sheets, our solutions serve diverse needs from protective wrapping to food and pharmaceutical packaging. Explore more at Abid Plastic

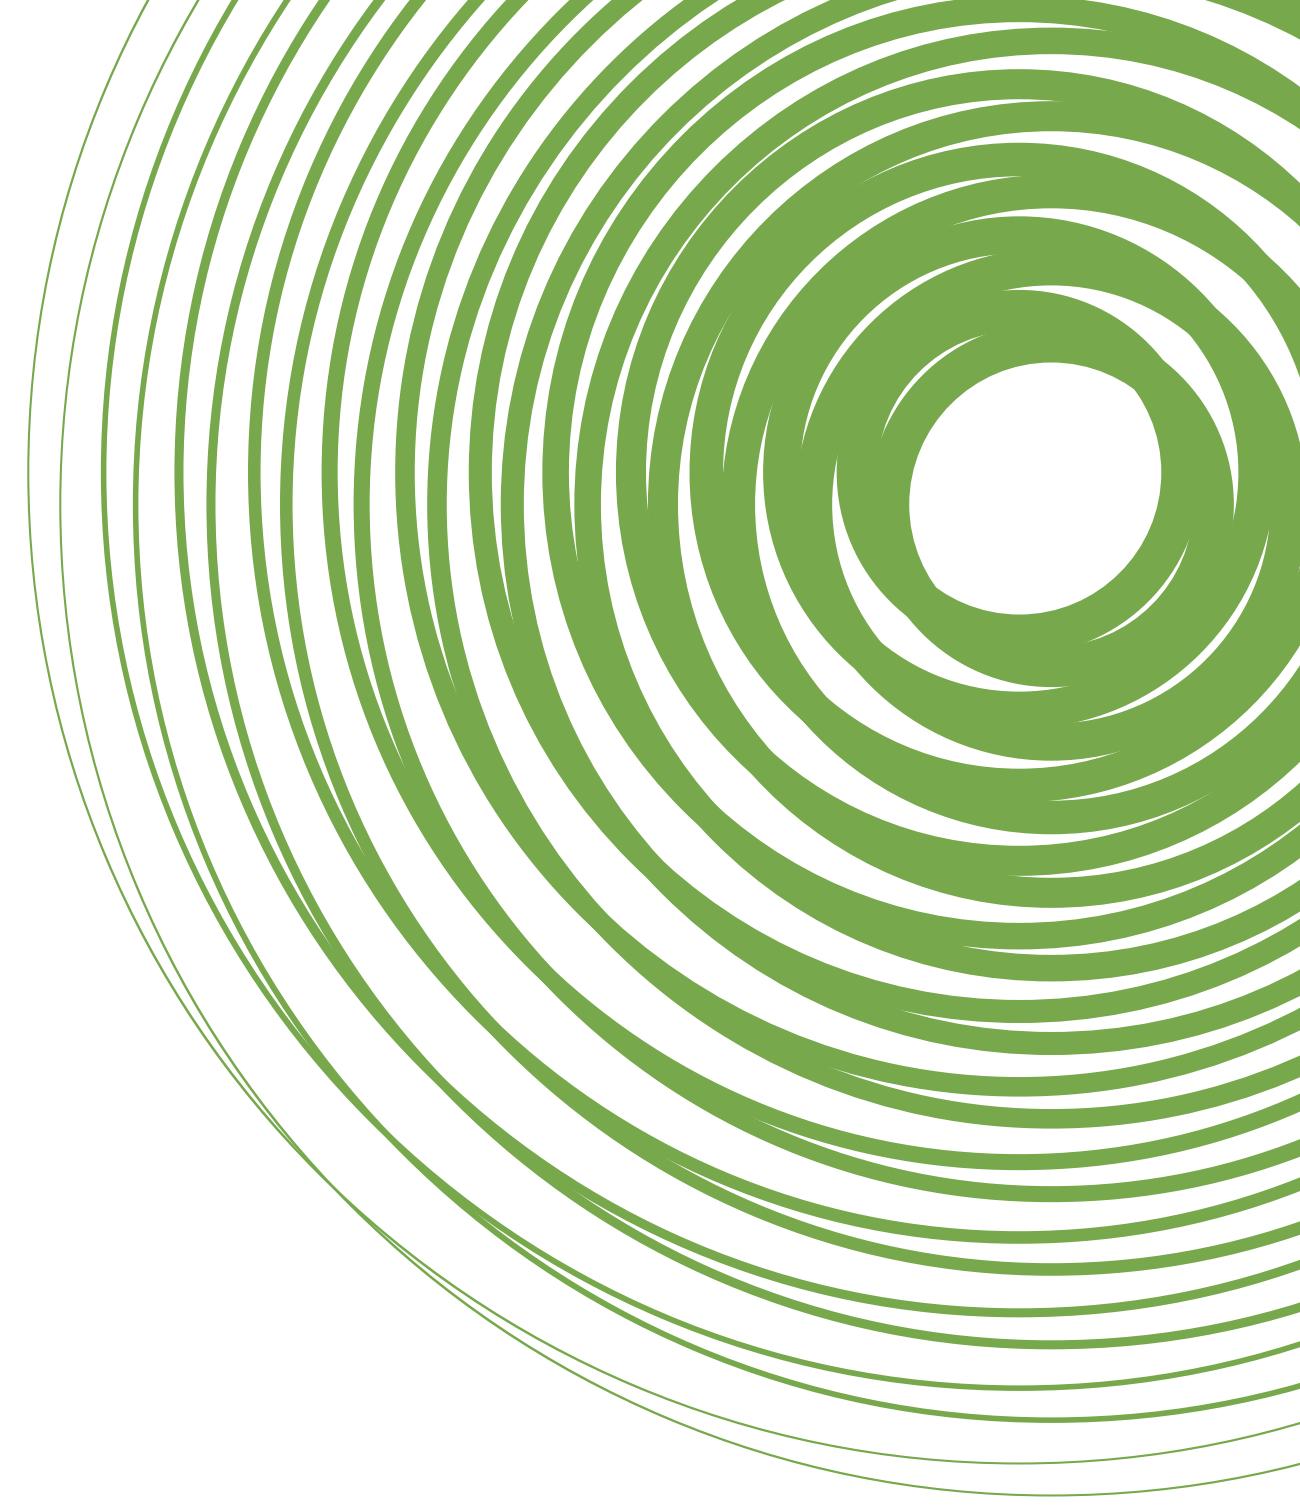

Garbage Bags & Rolls

Our high-quality, tear-resistant HDPE and LDPE bags are designed for reliable waste collection and disposal in households, offices, healthcare, construction sites, municipal services, recycling facilities, outdoor activities, industrial use, and pet waste management. With their durability and versatility, they ensure safe handling of waste in both everyday and heavy-duty applications.

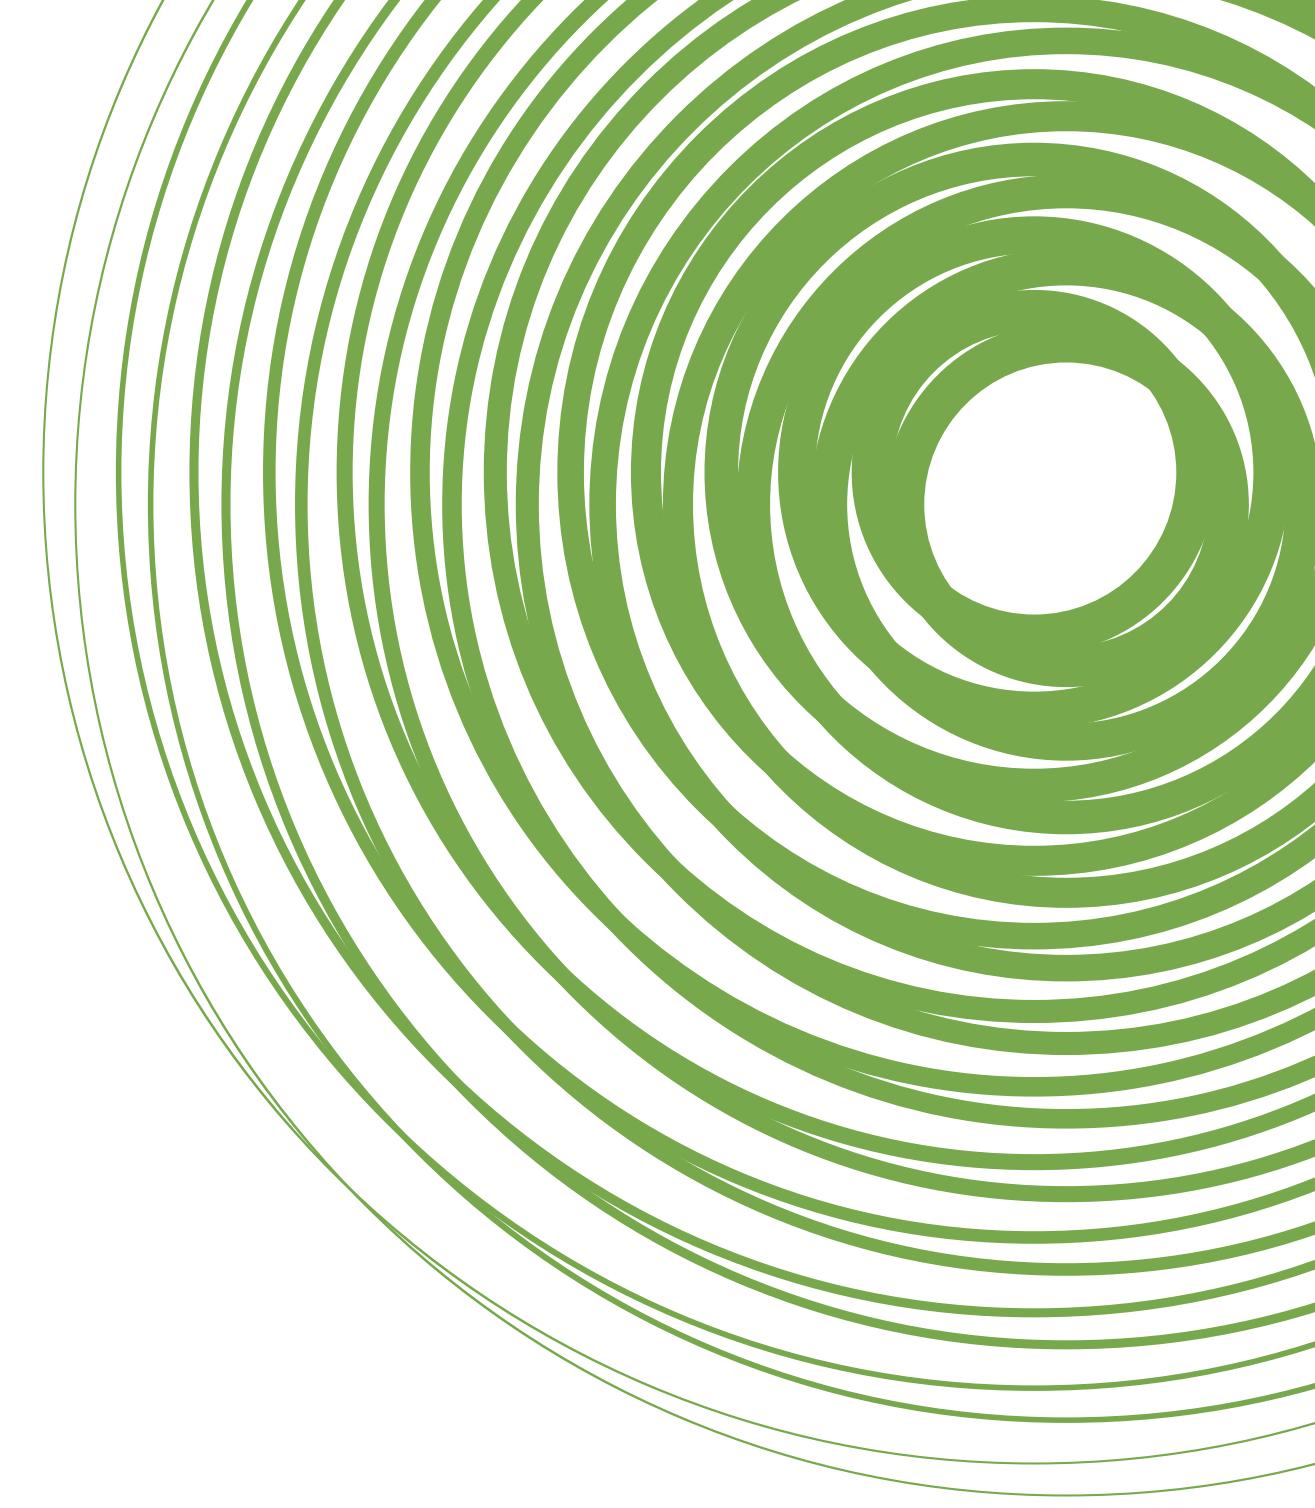

HDPE/LDPE Rolls

At Abid Plastic Pvt. Ltd., we provide high-quality HDPE and LDPE rolls known for their strength, flexibility, and versatility, making them ideal for packaging, construction, agriculture, pharmaceuticals, food, and logistics. Designed to the highest standards, our rolls offer durability, weather resistance, cost-effectiveness, and eco-friendly options. Available in transparent, colored, industrial, and shrinkable films, they ensure reliable performance for diverse applications—from mulch films and protective sheets to shipping bags and branded packaging all while supporting sustainable practices.

Recycling Bags & Rolls

At Abid Plastic Pvt. Ltd., we offer durable recycling bags designed for strength, flexibility, and reliability in handling different types of recyclable waste. Suitable for households, offices, industries, and municipal collection, our bags provide tear resistance, moisture protection, and eco-friendly options to support sustainable waste management. Available in various sizes, thicknesses, and colors, they are ideal for sorting, storing, and transporting recyclables such as plastics, paper, glass, and metals. With options for custom printing and branding, our recycling bags combine functionality with presentation, ensuring safe and efficient recycling solutions.
